**0324/65 Minutes of Previous Meeting.**

Minutes Ordinary meeting held on 17 January 2024 to be approved and signed as a true record.

**0324/66 Clerks report on matters outstanding:**

**Update ref: 0124/53.** Speeding and RTA's concerns raised by Silver St residents, **Update:** Clerk emailed concerns on 10 July 2023 to LRSP, Highways & Lincolnshire Police & Cllr Bradwell who liaised with Horncastle Neighbourhood Police for increased speed monitoring on Silver Street. LRSP undertook traffic survey 27 July to 2 August 23. Survey Outcome: *'Analysis of the speed data showed that the average speed of vehicles was 39.6 mph in a 60 mph limit. The speed data showed evidence that some vehicles were exceeding the speed limit at a speed that would make the drivers liable to action or prosecution by the Police'*. Clerk provided details of survey for consideration. **Clerk** then raised ongoing concerns as survey indicates speed limit is set to high and although a small percentage of vehicles were exceeding the 60mph limit this demonstrates a complete disregard for the safety of other road users and residents along the narrow stretch of Silver Street after passing through blind bends. This concern was raised by Clerk at the Police &

Crime Commissioners online Parish Council's liaison meeting 5 December 2023. Clerk has responded to email from Lincolnshire Neighbourhood Policing & included invitation to attend 17 January 2024 meeting in addition to Cllr Bradwell's invitation.

**Ref 0124/54 Update.** Email from Lincs Police 16 Jan 24, advising of non attendance and reiterating traffic survey outcome with no further proposed action. Cllr M Baverstock highlighted publication of LCC Planning and Regulation Committee Meeting held 8 Jan 2024, which approved speed limit reduction from 50mph to 40mph between Coningsby & Dogdyke, despite no recorded accidents over the last 5 years. The reduction was supported by a traffic survey identifying the road as a '*borderline case*', as the average speed was 46mph. Members presented Cllr Bradwell with this significant & relevant information. **Resolved:** that representation is made on behalf of BPC and Silver St residents to LCC; that there is a strong case for a speed limit reduction on Silver St from 60mph to 40mph, given average Silver St survey speed was 39.9mph considerably lower than 46mph survey speed in a 50mph limit, which was reduced and approved at 40mph.

**Report & Update from Cllr P Bradwell.**

Clerk provided details of proposed '*Welcome to Baumber Please drive carefully*' signs. Members considered proposed costs & locations. Members resolved that Silver St would be given priority for any additional signage. Members further **Resolved** to defer further consideration in the next financial year 2024/25, which will include welcome grant funding support from Cllr Gray.

**Update:** Cllr Gray Councillor Grant funding support has been approved sum of £850 to purchase new speed reduction signs for Silver St. Requirement to liaise with Cllr Bradwell & Highways to finalise installation locations.

**Update:** Clerk has received 10 replacement *Check your speed* signs. (Note: The white Baumber entry gateways are extremely dirty and in need of cleaning). Members agreed working party should be arranged. **Update:** RTA has damaged a village Gateway (which has been temporarily repaired) & lit 30mph sign on entrance to Baumber from Horncastle. Clerk has chased outstanding works. Clerk has reported storm damaged sign on Silver St.

January 2024 Storm has felled further Leylandi trees on A158 & caused road site footpath to be impassable. Clerk has reported damage. All of the remaining trees need either felling or topping.

**Update ref: 1022/50 - B1225/A158 junction permanent street lights switch off - LCC Highways confirmed existing A158 redundant lights (29-43) to be removed, but in order to disconnect the electrical supply to these street lights it would also necessitate the switching off and removal of the street lights at the A158/B1225 Junction which are on the same cable system.** Cllr's W Gray & P Bradwell, Mere Balk Lane residents & Clerk raised concerns, that switching off lights at junction could increase risks of RTA's and requested improved reflective warning signs and traffic calming measures. Highways to provide proposed improvements prior to any switch off for consideration. Awaiting further information. Members **Resolved** Clerk to seek an update as concerns raised that street lighting should continue on this junction.
